- ▶ Design & UI Tools: Figma, Photoshop, CorelDRAW

---

## Work Experience

**CEO / Managing Director — EH Code**

April 2024 –

Present

### Key Responsibilities:

Spearheaded company vision, strategic planning, and business growth in web/mobile development, AI solutions, and tech education.

Led cross-functional teams in delivering 50+ client projects with 95% satisfaction, ensuring technical excellence and deadline adherence.

Established partnerships with startups and enterprises, expanding market reach and revenue streams by 200% in 2 years.

## Key Achievements:

Scaled EH Code from solo venture to 5+ employee firm with 6-figure annual revenue within 2 years.

Launched 2 proprietary SaaS products in AI and automation, securing 2,000+ active users.

---

**Coding Instructor — Frank Computer Institute**  
2024

August 2023 – February

## Key Responsibilities:

Designed and delivered interactive coding lessons in Python, JavaScript, and web development.

Mentored 50+ students through hands-on projects, debugging support, and career-focused skill development.

Developed curriculum materials and assessments aligned with industry trends.

## Key Achievements:

Created a project-based curriculum that improved student engagement by 60% and became the institute's standard framework.

---

**Web Developer — Early Code**  
2023

March 2022 – June

## Key Responsibilities:

Developed and maintained scalable web applications using PHP, Laravel, React, and Node.js.

Collaborated with teams to translate business requirements into technical solutions.

Optimized backend APIs, security protocols, and CI/CD pipelines (Docker, AWS).

## Achievements:

Led development of 3+ high-traffic web apps, improving load speeds by 40% and user retention by 25%.

Automated deployment pipelines, reducing release cycles from 2 weeks to 3 days.

---

## Projects

### Hundeyin Institution

**Description:** Integrated school portal enabling aspiring tech individuals to interact and learn tech skills.

**Tech Stack:** Laravel, PHP, JavaScript, Tailwind CSS, Jetstream + Livewire

**Role:** Senior Developer

**Key Outcome:** Assisted 400+ students and junior developers in learning coding stacks and integration.

---

## Education

### ► B.Sc Accounting

University of Abuja, Gwagwalada, Nigeria

2019 – 2023

---

### ► Web Development Certificate

EarlyCode Academy

2021 – 2022

---

### ► Responsive Web Design

FreeCodeCamp (<https://freecodecamp.org/certification/fccee460917-d81b-4f86-847b-bbd45d0e5a9c/responsive-web-design>)

2025
